

Certificate NEN-ISO-9001 : 2015

Hereby ISOMANAGEMENT and Certification Organization declares that:

Milieu Environment bv

an internal quality-system has designed and implemented that
meets the requirements of ISO 9001: 2015.

This quality is based on customer focus and continuous improvement.

“On international level, advising, handling and mediation in industrial hazardous waste, including the supervision of transport, all necessary permits and waste processing.”

ISOMANAGEMENT has audited the processes and process descriptions as
an independent body. It is established that
all system requirements of ISO 9001: 2015 are fulfilled. This standard
will be audited annually by ISOMANAGEMENT.
